Re: *In re Cablevision Consumer Litig.* (E.D.N.Y., No. 10-cv-04992)

Dear Judge Tomlinson:

I write with the consent of defendant's counsel and further to the Court's Order dated March 3, 2015 to advise the Court that as of December 28, 2015, Judge Seybert has now decided the various outstanding motions to strike and/or preclude various experts' opinions. The Court directed the parties to advise your Honor when those motions were decided and to request a time for a status conference.

The next major step in the case will be motions for summary judgment that both sides anticipate filing. The parties request that they be permitted until January 12, 2016 to submit a proposed schedule to the Court in the form of a joint pre-conference statement outlining the schedule and any issues the parties may wish to raise with the Court at this time. The parties respectfully suggest that the Court await the submission of the joint statement before determining whether a conference is necessary and the timing of it.

If the Court has any questions, please do not hesitate to contact me.

Respectfully,

A handwritten signature in black ink, appearing to read "Ralph M. Stone".

Ralph M. Stone
